Follow your dream...
take one step at a time
And don't settle for less,

Follow your dream...

And lose sight of your goal,

Can we then have the vision

There are many good teachers and there are many good coaches but few have both qualities plus the quality of being a friend to his students. It is with this in mind that we overwhelmingly dedicate the 1981 CASCADIAN to you...Mr. Don Vannatter.

After receiving his teacher's certificate from Western Michigan University in 1952, Mr. Vannatter started teaching at Sorter School in Benton Harbor, Michigan. At Sorter he taught 7th and 8th grades and coached basketball and baseball.

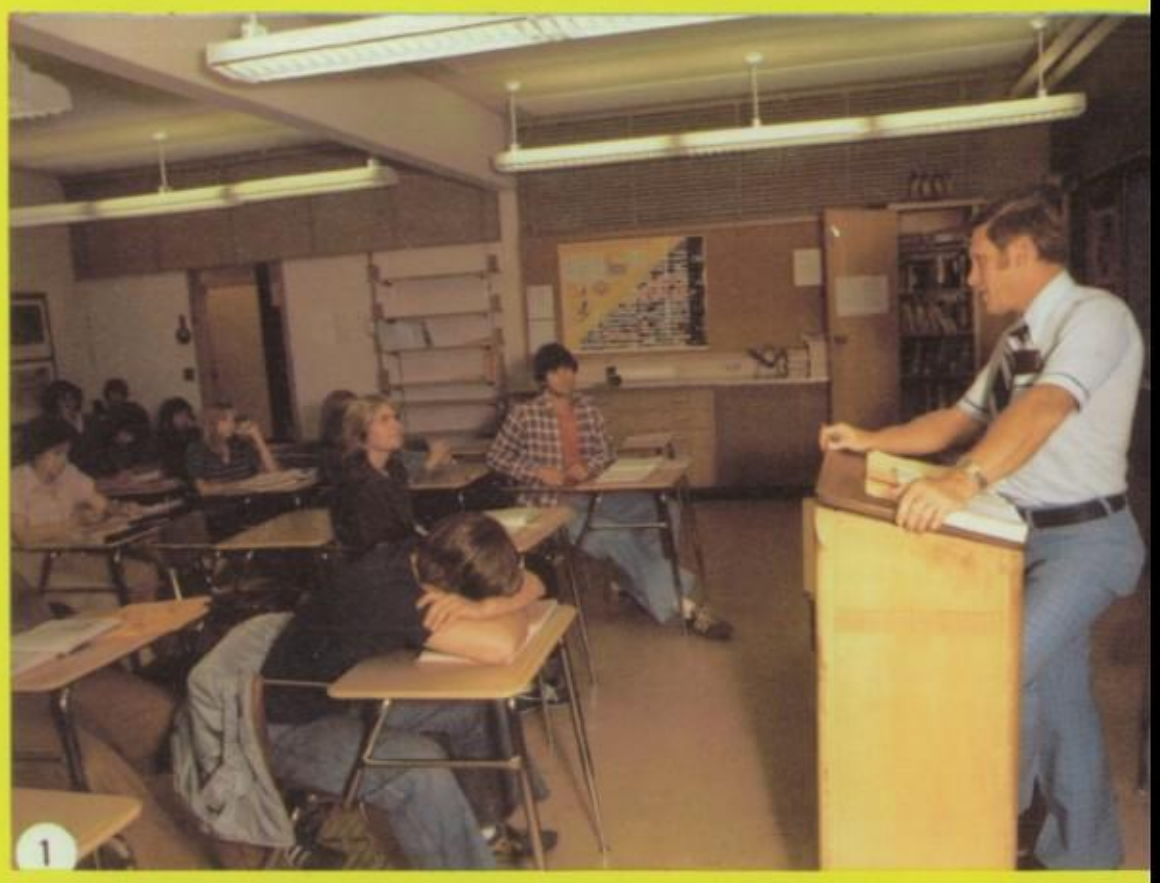
In 1961 he came to Enumclaw where he taught at the junior high. Then he moved to EHS in 1963. While at EHS he has coached tennis, JV baseball, assist. varsity football and freshmen football.

In 1970, Mr. Vannatter became vice principal of EHS. After holding that position for seven years,he chose to return to the classroom as he always enjoyed teaching. He now teaches U.S. history, Washington State history, and Russian history.

In his free time, Mr. Vannatter enjoys reading and working in his yard. In the summer he is also involved in a Japanese Cultural Exchange. This is where Japanese students come to the U.S. and learn our culture and language. He currently has a Japanese foreign exchange student staying with him. Her name is Akemi Kurokawa.

Mr. Vannatter and his wife, Sue, have four children, Dave, Mark, Gretchen and Heidi. He also has two grandchildren.

It is our pleasure, Mr. Vannatter, to single you out for this special recognition which has been so long overdue.



1

1. Five periods a day, five days a week, Mr. Don Vannatter can be found teaching various histories in room 214. In the fall his afternoons are spent on the football field coaching the frosh team.
2. Always happy to discuss current events, Mr. Vannatter strikes up a conversation with his U.S. history class.
3. Seventeen years of Mr. Vannatter's education career has been spent at EHS as both a teacher and a vice principal.
4. Kozo, a Japanese teacher, Mrs. Sue Vannatter and Mr. Vannatter tour British Columbia. Every summer Mr. Vannatter heads an exchange where Japanese students come to Enumclaw to learn English and the American culture.
5. A highlight of the Japanese visit to the U.S. is a trip to Mt. Rainier National Park. This event combines Mr. Vannatter's love of teaching and the outdoors.

This year the Senior Class decided to dedicate their section to a person who has influenced them through his supervision of the publications and his willingness to help as one of our Senior Class Advisors. That special person is Mr. Walt R. Snover.

As the advisor for both the CASCADIAN and the HORNET, Mr. Snover is a very busy man. Whether he comes to school early in the morning or stays after school late, he is always there lending a helping hand.

From the time he was Student Body President at Mt. Tahoma High School in 1966, to when he was selected to go to the Brooks Institute for photography, he has always been active. You may also find him out on the soccer field refereeing a soccer match.

Mr. Snover's favorite hobby has got to be photography. He just recently built a dark-room in the upstairs of his house where he will get the chance to use his talents to their full extent.

Mr. Snover and his wife, Mary Helen, have been married 12 years. She is a second grade teacher at Kibler Elementary. They have two children, Heather and Wally.

In the world today it is really hard to find a person with the extra special quality which Mr. Snover possesses. He seems to have so much to give and is always willing to give it. This is just our way of saying "Thank You Mr. Snover" for being the super person you are.

1. Proofreading an article for the soccer newsletter during a free moment takes a great deal of concentration. Besides advising the school publications, Mr. Snover is also producer of the school district newsletter and editor of the state soccer newsletter.
2. Being the advisor of two publications is not an easy job...sometimes day dreaming helps the day go easier. Maybe Mr. Snover is thinking about back-packing in the mountains or working in his dark-room at home.
3. Mr. Snover always has and will continue to work hard to make the publications great. He is always willing to offer advice. He is not only nice to have around as a teacher and advisor, but also as a person and friend.
4. One of Mr. Snover's loves is soccer, several years ago he coached the boys' JV soccer team at EHS. He had to give up coaching to pursue his interests as a referee.
5. While Mr. Snover served in the army he was awarded Soldier of the Month by the USAAGS.. During this time he also played on their basketball team.
6. Leadership abilities started early in Mr. Snover's life. As a senior he was ASB president of Mt. Tahoma High School.

Senior Dedication...

Seniors climb steps to make dreams come true

"follow your dream
take one step at a time
and don't settle for less
just continue to climb."

The first steps into high school for anyone are usually nervous but exciting ones. The constant threat of some big senior just waiting for the perfect moment to give one of us a free bath in the nearest water fountain, or thinking he would keep EHS clean by discarding one of us into a nearby garbage can. Because of these small interruptions, our first step into high school was a slow and stumbling start. Cautiously with the help of our dependable class officers (Laurie Vinton, president; Cathy Swetalla, vice president; Jill King, secretary; and Shelly Hash, treasurer) we established ourselves by winning the homecoming float competition, ASB card/annual sales, and capturing top honors with the Christmas tree contest. These activities enabled us to finish our freshman year in fine style. We were looking forward to becoming upperclassmen.

With some confidence gaining, our sophomore step was filled with undaunted spirit, produced mainly from the enthusiastic efforts of our class officers. President Paul Carr, along with Clark Hislop (vice president), Jami Hughes (secretary) and Cheryl Hatfield (treasurer) helped our class complete one more step to reach our dream. Carwashes, Super Sonic ticket raffle, McDonald Bucks, and a 2nd place finish in the homecoming float competition, boosted our bank account greatly for the coming steps of our dream.

"follow your dream
if you stumble don't stop
and lose sight of your goal
press onto the top."

Our junior year was full of spirit which was determined by various wins of the "pep-jug." Along with a fund raising dance, and a $75 check for capturing 1st place in the homecoming float contest, again, we hit the $1000 mark. All the enthusiasm that our class possessed was reflected in our outstanding leaders who included: Shannon Parks, president; Todd Garrity, vice president; Cathy Swetalla, secretary; and Sabrina Brown, treasurer.

Special awards went to Mike Nelson and Whitney Sleigh who were chosen for the Junior Achievement Award, while Robert Forsberg, Danny Shannon, Ron Cuddie, Craig Lytle, and Mike Nelson represented us at Boys' State. Alternates included: Tracey Farman and Greg Perlot.

"for only on top
can we see the whole view,
can we see what we've done
and what we can do.
Can we then seek the vision
to seek something new,
Press on and follow your dreams."

During our concluding year at EHS, we can reflect back on many of the final activities which were filled with good memories. Homecoming, tolo, Senior Tea, and Senior Ball. All too quickly, our year came to a close with baccalaureate, graduation, and our last activity together, senior party.

Heading up the 1981 Senior Class were: Eric Coston, president; Joey Callero, vice president; Jill King, secretary; Sara Storeno, treasurer; and Laurie Rossman, historian.

Remember that graduation may be the end of our high school years, but it's just a start of a successful lifetime. Many dreams and goals lie ahead, but which ever you choose to follow, always remember, you are a special part of the Class of 1981.

This is one dream we all have sought to become a reality, continue as before and press on to follow your dreams.

'82 anticipates final year

The Junior Class started off the school year great, coming in 2nd in spirit week competition. Following that, the juniors sponsored money raising events such as selling apple cider at basketball games, bake sales and Junior Prom.

The advisors for the Junior Class are recognized around the school for helping students. They are Mrs. Carol Lobdell and Mr. Tom Goff.

One of the goals for the upcoming Senior Class is to save money for the dream of having senior party at Disneyland.

Those that headed the enthusiastic Junior Class were: Dianna Coogan, president; Cathy Callero, vice president; Karen Huffman, secretary; and Maria Schroth, treasurer.

Constant junior spirit was displayed this last year at pep assemblies thus giving the Junior Class the personality and rowdiness to advance into their senior year with a good start.

"The students are easy to work with and accept responsibility," stated Mrs. Carol Lobdell. "Such team work is needed to make everything go smoothly, as it does for the junior officers and advisors."

The Junior Class Officers for this year are: Maria Schroth, treasurer; Karen Huffman, secretary; Dianna Coogan, president; and Cathy Callero, vice-president.

Sophs soar through the year

Organization was the key to this year's Sophomore Class. The leaders of the well organized class were: Julie Heeter, president; Kandi Paschich, vice president; Mary Elder, secretary; and Missy McKinstry, treasurer. Keeping an eye over various activities were Class Advisors Diane Franchini and Bee Evans.

Money making activities that kept a large majority of the class busy were a breakfast raffle, the annual class ring sale, and specially designed Hornet pencils. They also turned out on a rainy Saturday for a profitable carwash.

Another money maker for the sophomores was the placing of third in the class float competition where they received $25. During spirit week the enthusiastic sophomores won the pep-jug at the pep assembly.

A dance was held on January 9 to bring in the new year with "CenterPoint" as the band. Many sophomores worked hard in order to make it a success.

According to Class Advisor Evans, the sophomores were a well organized class with lots of spirit and active members.

This was shown by their participation in the events of EHS.

Providing the leadership for the class this year were the Sophomore Officers: Mar
Elder, Kandi Paschich, Missy McKinstry and Julie Heeter.

Helping this year's Sophomore Class were advisors Mrs. Diane Franchini and Ms. Bee Evans.

Jim Lunde shows a fellow classmate how to figure out a difficult problem.

Frosh get off to a good start

Starting off their first year at EHS, the Class of 1984 began raising money for the class fund. As one of their first projects, they won 2nd place in the Homecoming float competition. They then sold candles which was a great success. The advisors, Mr. Gordy Gunderson and Miss Marilyn Topp, hope the class will profit between $1500 and $1600 this year. They also won the ASB sales which added to their income.

The class is led by: Tim McDonnell, president; Rob Pedrini, vice-president; Heidi Stephenson, secretary; and Dianna Dickson, treasurer.

The officers stated that the majority of the class participated in the activities and the outcome proved that to be true. They were happy with the candle sale because they are the first Freshmen Class to ever make that much money

The freshmen are following their dream to success and their prospects for the future with hopes that such a positive class attitude will continue.

Diana Dickson (treasurer), Heidi Stephenson (secretary), Rob Pedrini (vice-president), and Tim McDonnell (president) lead their class to success.

Harriers stride to district

"They were a very close knit group and probably one of the most spirited groups I ever had," commented EHS Girls' Cross Country Coach Frank Lancaster.

The girls used their spirit and determination to beat Franklin Pierce, who had beaten them earlier in the season, to finish 2nd in the Seamount League meet behind the state champion Gig Harbor Tides. Their 2nd place finish at the league meet then qualified the Hornets for the district meet.

The year's most pleasant surprise came when Carolyn Darcy qualified for the state meet and finished 18th, beating 107 other runners. "Darcy's fete was most exceptional, considering the quality of some of the girls she competed against," explained Coach Lancaster.

Winning the individual awards at the banquet held on November 10 were: Gina Callero and Carolyn Darcy, co-captains; Barbie Anderson, inspirational; Frances Terry, most improved; Carolyn Darcy, most valuable; and Emily Smith, coaches award.

Golfers 'drive' for success

For the seventh straight year the EHS Golf Team headed for the State Tournament. Hornet Golf Coach Tim Tubbs was pleased with the accomplishments of this year's team and feels it is sort of a tradition of habit making the state tournament. And quality golfers have become an EHS tradition.

This year's team was lead by Mike Petellin, Bill Grover, Paul Siclare, Dave Babbitt, Greg VanWieringen, and Dave Holyan. The team was very unique in that there was not a single senior, so next year looks promising for the duffers.

The linksmen placed 2nd in the 18 team Seamount League Medalist Tournament behind Washington, who was last year's State Champions. The Hornets were led by Mike Petellin who shot a three over par 75. Petellin, Babbitt, Siclare, and Grover finished among the top six golfers in the Central Division to make the All-Seamount League Central Division Team. Petellin was picked Most Valuable by his teammates, Ryan Wickre was Most Improved and Grover earned Inspirational Honors.

The jayvee squad finished the year undefeated. It included Dave Dolezal, Peter Erickson, Don Bass, Drew May, Nick Kravagna, Ryan Wickre, and Kellie Adams.

EHS gridders 'claw' opponents

"They were an overall good group of guys," commented Head Coach Wilbur Lucas on this year's varsity football team. The team, which was composed of mostly juniors and seniors, finished the season with a record of 6 wins and 3 losses, narrowly missing a chance to go to the playoffs.

The team's highlight came on opening night as the Hornets beat a scrappy White River team, 7-6, to capture the Marc Volk-Jim Mitchell trophy for the second straight year.

One individual standout for the Hornets this year was senior tailback Greg Perlot. Perlot led all Seamount League backs with over 1000 yards rushing. Perlot, who has lettered three of his varsity years, was one of a number of Hornet brightspots. Other individual standouts for the Hornets were: Tracy Farman and Mark St. Luisse on defensive; Jeff Tarkalson and Tim Lunde on offense; and Rich Main on special teams.

"These kids' determination and hard work has paid off over the years and will benefit them in the future. We as coaches are pretty proud of them," commented Coach Lucas of his team.

Winning the individual honors at the awards assembly on November 25 were: Tracy Farman and Greg Perlot, co-captains; Todd Babbitt, Jagosh Memorial Trophy; Mark St. Luisse, Courier-Herald Award; Rich Main, John Buck Award; Jeff Tarkalson. J V gridders show future promise

This year's JV football squad finished 6-2 in the league. The season was highlighted by a 53-0 stomp over the Peninsula Seahawks.

Coaches Leroy Babbitt and Gordy Gunderson stated, "Our purpose is to train players for varsity action and this year's team has a good nucleus for a varsity squad."

EHS' Little Hornets compiled a 5-1 league record and ended up 2nd this year. Their only loss came in a 25-6 battle with Gig Harbor who topped the league unbeaten.

Coach Mike Ernaga and Coach Don Vannatter were proud of the team and like the way they came back when they were down. This year's team will make a helpful contribution to the varsity squad.

Freshman standouts included Dane Stookey, Mike Stergion and Mike Dowling for the offense, while defense standouts were Tom Bergstrom, Lee Parkerson and Carl Osborne.

Winning the awards at the banquet held on November 25 were: Mike Dowling, Most Valuable; Dane Stookey, Best Offense; Carl Osborn, Best Defense; Brian Hansen, Most Inspirational; and Tom Bergstrom, Coaches Award.

Barlow's girls have auspicious start

Although Coach Debbie Barlow's varsity team was riddled with injuries, they still managed to muster a healthy 8-4 record.

Early in the season starter Kathy Ridgewell, previously the Hornet's leading scorer, broke her collarbone in a game against Fife. Ridgewell was finished for the year. Midway through the season the Hornets also lost star defender Cindy Hatfield with a broken nose.

Even with the injuries the Hornets stayed in contention for the league title, winning nine consecutive games.

The crippled Hornets came back to beat Tahoma (2-1) after losing the first match-up (4-1). At mid-season the booters faced Tyee, undefeated and unscored upon. The Hornets came out on top 4-3.

The crippling blow came when centerhalf Jeana Ryan went out with a stress fracture. EHS lost their next four contests and no longer had the depth to stay a top the league.

The junior varsity squad didn't have quite the success of the varsity, losing all five of their games, but the junior varsity program is very undeveloped because only one game out of the five was league

Next year should prove to be one of success.

Swimmers splash to victory

Coming off one of their best team efforts in years, the girls' swim team finished with a strong 6-4 record, capturing a 4th place finish in the Seamount League.

On a team which will lose only one senior, the girls showed steady inprovement all year long. "I think finishing in such high place with such a young squad dictates things to come," stated Assistant Coach Richard Wartman. "Both Head Coach Sue Fallen and myself are looking forward to next year's team. We feel we have the nucleus for a league championship team."

The team's highlight came as the girls defeated a much bigger Olympic team, 89 - 80 on the last event of the meet. "This year's team was especially cited for their team unity and high spirit," noted Coach Fallen.

Receiving the individual honors at the awards banquet held on November 24 were: Bonnie Brundage, team captain; Theresa Schroth and Mary Malgarini, 110% award; Patty Jensen most improved swimmer; and Babette Brundage, swimmer of the year, coaches award, and most inspirational award.

Hornet diggers 'face' opponents

Ending the season with a 7-8 record, the varsity volleyball team fell well short of the division title, finishing 4th in the Central Division.

Mental errors marked the Hornet's early season, but the team seemed to pull together winning five of their last eight games.

Seniors Mary Anderson and Whitney Sleigh set most of the plays for the Hornets while Debbie Krainick was mentioned as the most consistent player on the team.

New young talent is preparing for next year and Coach Basse speculates that they will have a fairly good team. The Hornet junior varsity netters finished the year with a respectable 9-6 record.

"With 17 girls out for each game, we played well. When we lost, it wasn't because we played bad, but the other team played better," stated Junior Varsity Coach Marilyn Topp.

Coach Topp singled out Cindy Harp, Nancy Mitten and Deanna Wilson as standouts for the team.

Summing up the season, Coach Basse analyzed, "The volleyball team has always been a class act. The standings belie that ability and talent so prevailing on the squad."

Mrs. Basse is excited about next year.

Hornet hoopsters capture title

Running on emotion, a variety of fullcourt and halfcourt presses and the ability to race up and down the floor, this year's Enumclaw Hornet hoop team finished 15-7 overall with an 8-2 league record while capturing the Central Division crown.

The Hornets entered the West-Central District in the number one seat but failed to advance, losing to the Tahoma Bears 45-57 and 42-56, thus drowning any hopes of another state tourney berth.

The young Hornets, who had only one returning starter, used their small size and quickness to fullcourt press teams, flustering them to turn over the ball, then catching them up into a fastbreak led by senior guard Joe Callero.

The Hornets started the year with impressive wins over White River and then traveled to Burlington-Edison for their first loss. The Hornets beat top ranked Tyee with a last second shot by Ron Cuddie. The Hornets split with Liberty and Mt. Si and took 1st place at the Olympic High School Christmas Tourney.

The all senior starting five included: three year regular and captain Joe Callero, Robert Forsberg, Jeff Ross, Dan Shannon and Ron Cuddie.

"Over all, the season was quite a success. The team was young and not very experienced, but everybody responded well," commented Coach Gary Radliff.

Young netters slam rivalry

Finishing the season with a grueling 52-47 win over Peninsula, the boys' JV basketball team ended with a 16-2 record, easily capturing 1st place in the Seamount League.

The Hornets were led throughout the year by the fine play of Juniors Kent Kindsvater, Greg Van Weiringen, Tim Podolak, Dean Weyer and Sophomores John Francis and Scott Raeder.

Receiving the Outstanding JV Player Award, presented by the coaches, was Junior Dean Weyer.

Enumclaw's sophomore basketball team ended its season with a 12-5 record and a 2nd place finish in league competition.

Coach Tim Tubb's analyzed, "We had a real good season and I was pleased with the effort the guy's put out. All 11 players were pretty equal in ability, and all should help out our program in the future if they spend the time at it."

Sophomore hoopster Dave Babbitt was singled out for his fine season in which he set two Sophomore records in assists and steals.

"The freshman team worked hard and finished with a good record," noted Coach Bill Hawk. They ended the year with an impressive 10-2 league mark.

"The freshman team improved as much as any team I've ever had," commented Coach Bill Hawk. This can be seen through their establishing of many records, such as scoring most points in a season and most rebounds in a season.

Winning the individual awards for the freshman were: Rob Pedrini, Drew May, co-captains; Chuck Eaton, most improved; and Mike Dowling, most inspirational.

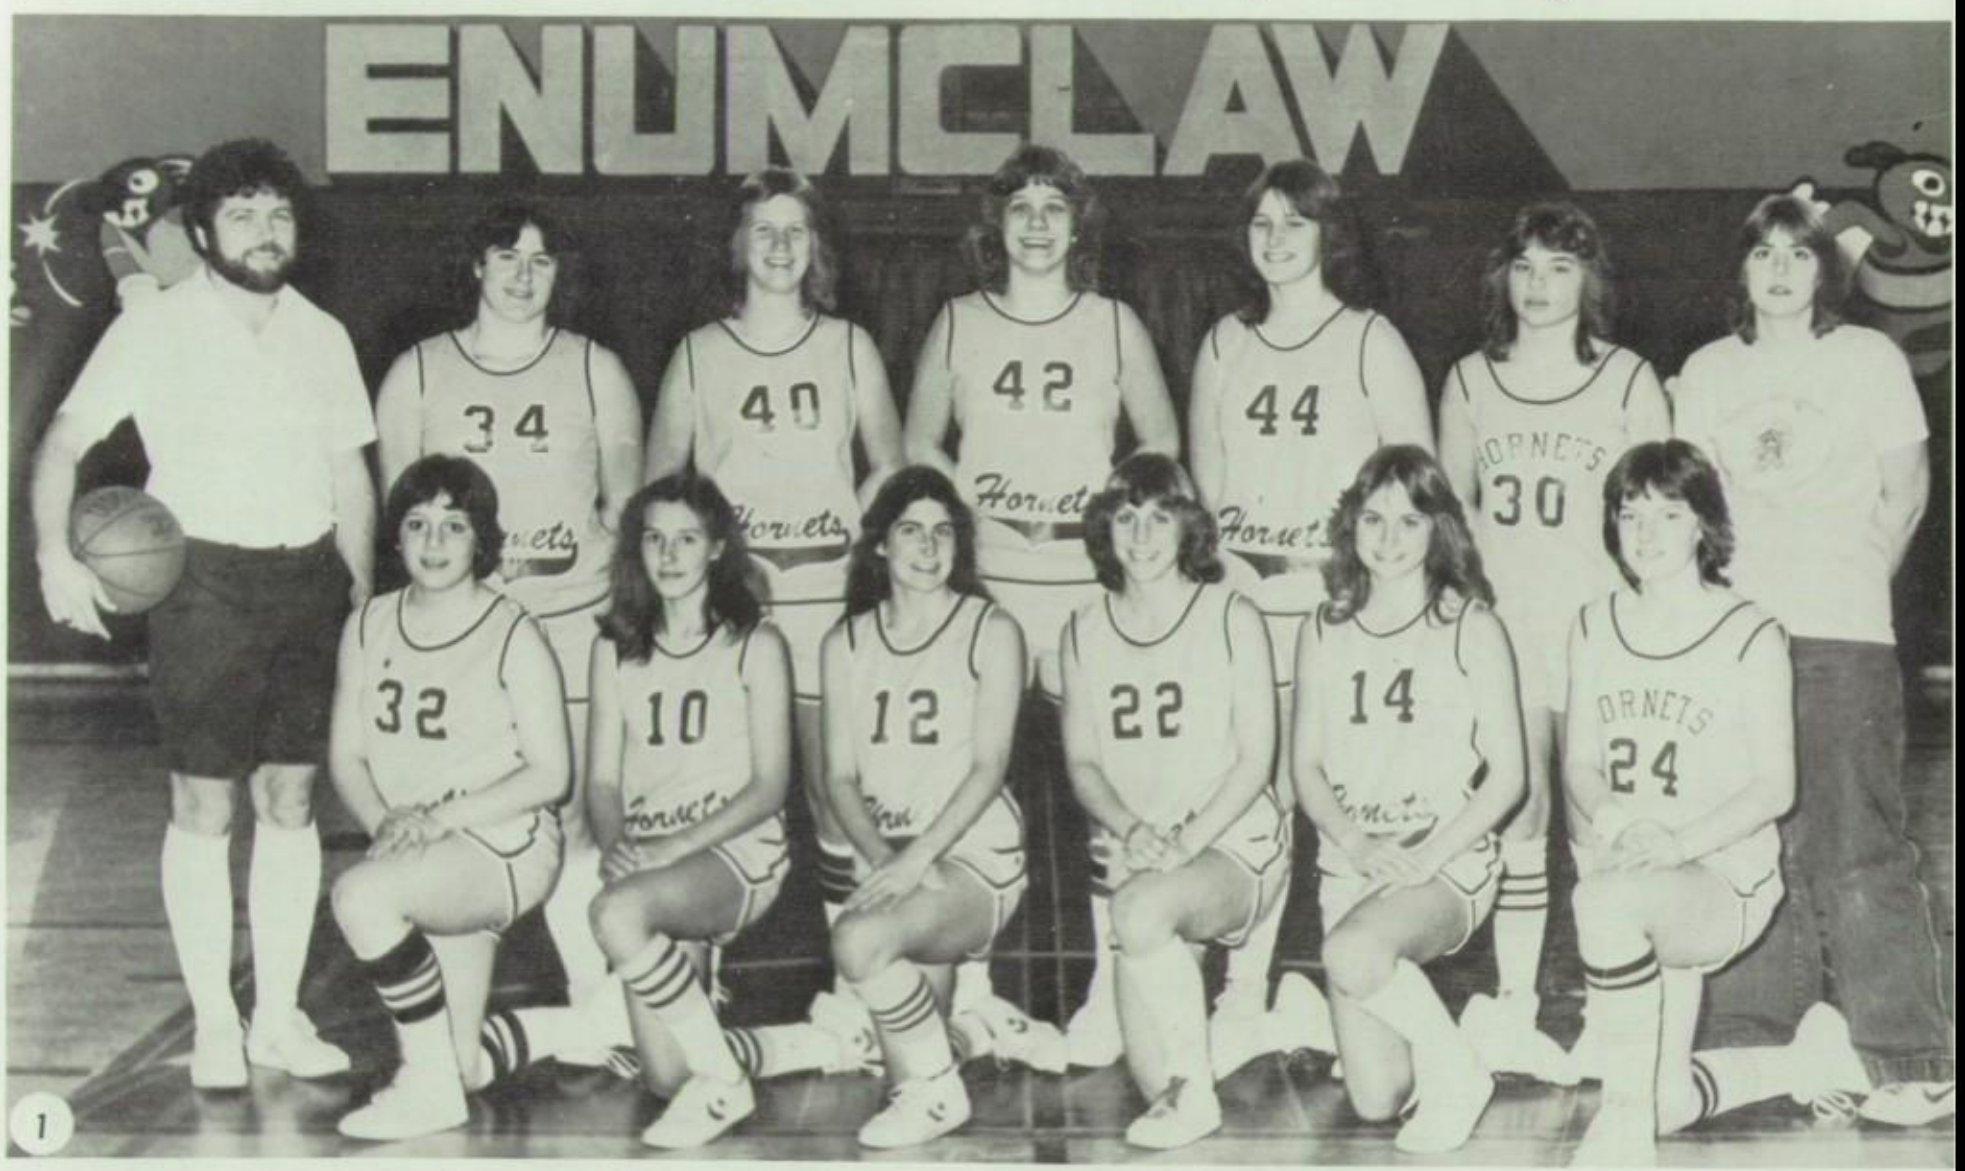
Lady cagers 'hoop it up'



Playing in the toughest division of the Seamount League, the varsity girls' basketball team captured 2nd place with a record of 7-3, one game behind the Tides from Gig Harbor.

According to Head Coach Ron Miller, the win over the home team, Gig Harbor, was the most satisfying victory. "We came from behind and beat a strong team. Playing against tougher competition and coming out on a winning note is very satisfying," explained Coach Miller.

The highlight of the season was a trip to Anaheim, California, to participate in the Senora High School Basketball Tournament over Christmas vacation.

"The girls played with more heart throughout the season than any other squad I've coached," noted Coach Miller.

Winning the awards for the girls this year were: Mary Anderson, captain; Cathy Swetella, most valuable; Christy Weinbrecht, most improved; Laurie Vinton, most inspirational; Carry Stanley, best defense; Debbie Krainick, coaches award; and Margot Willette, junior varsity award.

JV girls skate through season

With a perfect 20-0 season record, the EHS junior varsity girls' basketball team skated to the top of the Seamount League and captured the league title.

The lady cagers had quite a few "big" winning margins, beating teams by 40 and 50 points (Tahoma 52-16 and 68-21, Fife 60-15, Franklin Pierce 53-17, Washington 54-15 and Peninsula 67-24).

The closest game for the Hornets was against Fife, 42-38.

The main cause of the successful season was due to Sophomore Karen Fugate and Junior Margot Willete who carried the scoring load for the lady cagers.

With a tenacious continous press, the ladies held their opponents to under 500 while scoring over 1000 points themselves.

Coach Sue Fallen was elated about her 1981 team: "They were fantastic, super, great! All their hard work and dedication paid off!"

The Hornets rated first in the league in both defense and offense with Cindy Hatfield winning the rebound award, Glenda McGillvray taking free throw percentage honors, Karen Fugate had the most points (185), Cathy Callero was the hustle winner, and Margot Willette carried both the best field goal percentage and also the outstanding JV player honors.

Aquamen bring big splash

Swimming in a tougher, bigger, 12 team league, the Enumclaw varsity Swim Team responded with a 8-3 record a 3rd place in the Seamount League.

The aquamen sent 16 swimmers to the West Central Regional AAA-AA meet at Curtis High School and ended up with 10th place out of 21 teams. Junior Rob Paulson (50 free), Sophomore Louis Griggs (100 fly) and Greg Lippincott (200 individual medly) all placed for the Hornets.

Sophomore Mike Kauzlarich was the only Hornet to advance and compete in the state meet at the University of Washington's Hec Edmundson Pool. Kauzlarich, a diver for the squad, placed 20th out of a field of 32.

The team's most impressive win was their last of the year against the Tahoma Bears when they had a swimmer finish first and second in every event. The 400 free relay team set a new school record in the event of 3:37. The team consisted of Rob Paulson, Barry Brown, Greg Lippincott and Lewis Griggs.

Award winners for the swimmers included: Mike Kauzlarich, Diving Award; Barry Brown, Captain; Lewis Griggs, Inspirational; Rob Paulson, MVP; and Cliff Watson, Coaches Award.

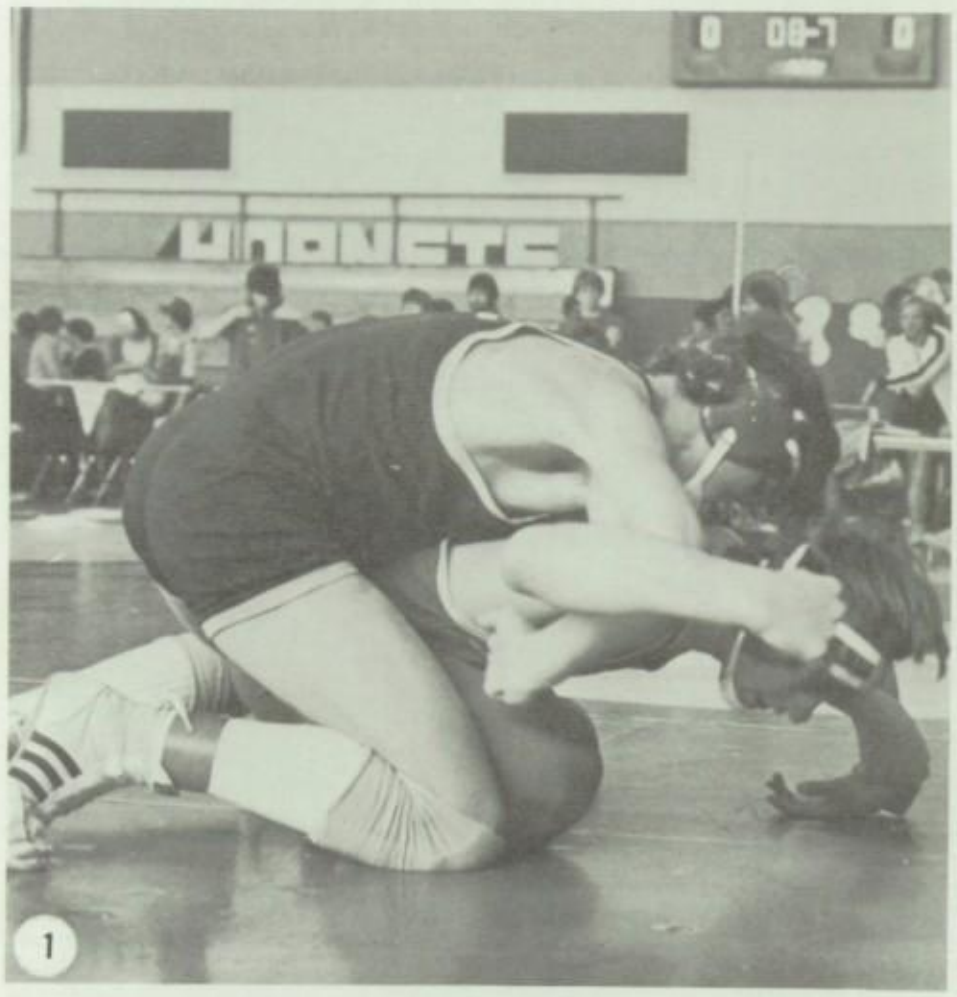
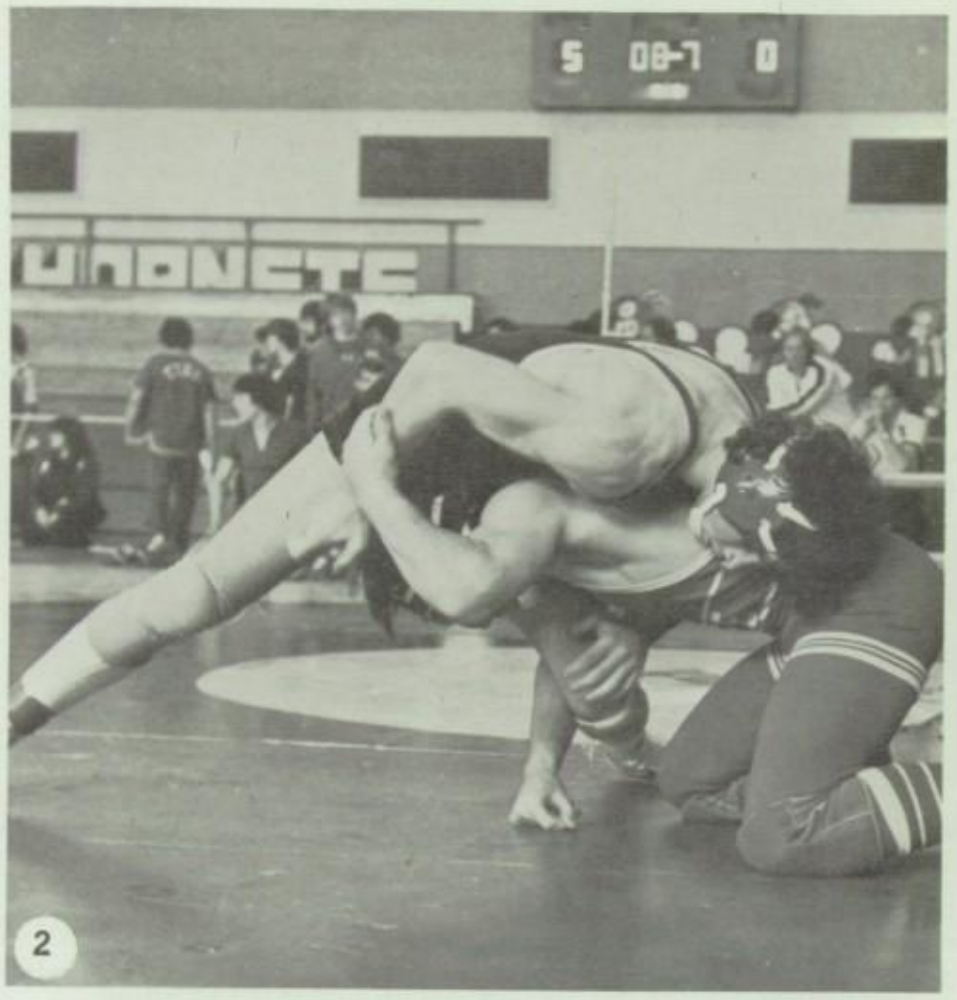
Wrestlers take down opponents





"Our main goal this season was to improve, and as a team I felt we did just that," commented Head Coach Shelly Thiel of this year's varsity wrestling squad. The Hornet grapplers finished the season with a 3-2 record, good enough for 3rd place in the Seamount League Central Division and qualified four wrestlers for the state meet at Cheney.

At the state meet, Enumclaw sent Eric Coston (178), Jerry Homola (168), Robert Wyatt (122), and Craig Willey (108). Of over 50 schools competing, the Hornets landed a 12th place showing with Willey wrestling to a 3rd in state as the highest EHS finish. "Willey was one of five Hornet wrestlers to ever place at state," noted Coach Thiel of the strong junior.

Winning the wards for the Hornet matmen were: Eric Coston, Captain and Inspirational Award; Jerry Homola, Tony Willner Memorial (most improved) and Scholar Athlete Award; Craig Willey, Robert Wyatt, Most Dedicated; and Jerry Homola, Quickest Pin (9 seconds).

Commented Coach Thiel, "These kids should be the nucleus for strong future teams and we as coaches are looking forward to a productive future."

JV wrestles for the future

Losing to only Franklin Pierce, the EHS junior varsity wrestling team finished 2nd in the Seamount League. The grapplers completed an overall 12-3 record.

This year's team was not expected to do all that well. They were young, inexperienced and were wrestling behind some top grapplers on the varsity team. The wrestlers faired very well, however, and exceeded the expectations of the coaching staff.

The grapplers finished 4th at the Franklin Pierce Tourney and also at the Bellevue Christmas Tournament. The JV took their first four league matches with wins over Federal Way, Peninsula, and Gig Harbor. They then suffered their only loss to Franklin Pierce, 32-25. Regrouping, the Hornets finished league play with pins against Washington and Federal Way.

Kress Drew, Brian Yotz, Chris Dines, Gary Dickson, Mark Green and Dan Eldridge were credited as having done well along with the rest of the team.

The frosh team had wins over Lindberg and Renton and placed 4th at the Bellevue Christmas Tournament.

At the awards assembly Eric Flint took captain honors, Rob Scotthorn was named inspirational and Lee Parkeson was most improved while Drew captured the JV award.

"I was very pleased with the outcome of the season, the boys worked hard and it paid off," according to Coach Chuck Basteyns.

Diamondmen blast rivals

The Enumclaw varsity baseball team ended its season with a strong surge to finish in 2nd place in the Seamount League Central Division. Amassing a league record of 9-6, the Hornets won 8 of their last 10 games to overtake the other league teams and qualify for a berth in the Seamount League playoffs where they beat Olympic (3-2) before losing a heartbreaker to Liberty (2-1).

The team's sweetest victory came on the last home game of the season, as they knocked off 1st place Franklin Pierce, 2-1, to earn a playoff spot.

"We coaches are very happy with this year's team considering the injuries we had to our pitching staff," explained Head Coach Frank Osborne. This was Coach Osborne's last year at the Helm for the Hornets.

Winning the awards for the Hornet Diamondmen this year were: Darin Adams and Greg Perlot (Captains Award), Rich Main (Inspirational Award), Jerry Hite (John Buck Award), Scott Hamilton (Offense Award), Paul Siclare (Most Improved), Rich Main (Gold Glove), Andy Fisk (Junior Award), and Brian Lybeck (Sophomore Award).

Hornets strike out opposition

"Both the jayvee and freshman teams have a lot of young talent," commented Coaches Dan Hennessy and Gordy Gunderson. "They should help the varsity team greatly in the next couple years."

"I had a lot of fun coaching these guys," said Coach Hennessy on the Maroon baseball team. "There is a lot of enthusiasm on this team and it really can be seen by their playing."

Outstanding players for the team were catcher Troy Perry for his fast action at homeplate and he also was one of the leaders in batting along with Andy Fisk. The team's most successful pitcher was Brian Lybeck with a 3.18 earned run average.

Outstanding players for the freshman team were Bob Wallin and Tom Bergstrom who lead the team in batting with .300 and .295 averages, respectively.

Coach Gunderson said, "This team was a freshman team playing against jayvee teams and, considering the competion, these kids did an excellent job."

Coach Tom Goff and the EHS soccer team had a very successful year although playing in a tough league. The booters finished the year in 4th place with 10 wins and 4 losses.

Tyee placed 1st in the league standings with 11 wins and 3 losses followed by Franklin Pierce tied with Tahoma in 2nd place with 10 wins, 3 losses, and 1 tie. Enumclaw was the only team to defeat every team in the league.

Coach Goff stated, "This was the best team Enumclaw has ever had." He added that they played as a team, not as individuals which is manditory in all team sports.

Senior Jim Schauers was the second highest scorer in the state with 57 goals while Marcus Felice took 5th place with 43. Senior Darrell Lutton holds the new school record of 23 steals for the year.

The junior varsity soccer team had many outstanding players. David Babbitt lead the team with 46 shots and tied with Bruce Santere for the most goals in the 1981 season with 8.

Diamond is girl's best friend

Although the spring was plagued by rain, and rainouts, the girls' slo-pitch team maintained a terrific attitude and a super team spirit. The varsity squad ended with a 9-6 record and finished 2nd in the Central Division behind Gig Harbor.

"I feel good about our season, so much improvement was made," commented Head Coach Chuck Basteyns. "Wherever you see improvement, you see a successful team."

Sophomore Karen Fugate led the Hornets at the plate, hitting .367 in league play. Debbie Krainick brought home the most runs with 13 Runs Batted In.

Under the direction of Coach Cathy Carnino, the junior varsity team also had a fine season. Many players showed fine individual effort including Lisa Steiner who hit well for the young Hornets.

The team will be losing four seniors, but a strong, experienced nucleus will be returning and Coach Basteyns anticipates a great season next year.

At the awards banquet held June 1, Lisa Steiner captured the JV award, Karen Fugate received leading hitter and inspirational honors, Jody Forler was voted as captain, and Debbie Krainick won most valuable.

Netters serve up aces

With a young inexperienced team this year's EHS varsity tennis team finished 2nd in the Seamount Central Division with a 7-3 record following only Gig Harbor which compiled an unblemished 10-0 mark.

The team consisted of only two seniors, but the young netters responded well. Jeanna Ryan and Freshman Nancy Mitten produced key wins for the team. Senior Mike Nelson played a versatile role filling in where ever needed. Junior Wickre played the number one singles spot and moved into sub-district play with a 3rd place finish but was stopped short in district play.

Four-year letterman and three time state participant, Whitney Sleigh, went through league play with a 9-1 record. Sleigh combined with Junior Kathy McPherson to place 1st in sub-district.

The duo moved into district play and finished 3rd, but the two managed to qualify for the state tournament held in Wenatchee.

Sleigh and McPherson entered the tourney with 16 other teams. The girls combo started slow, losing to Charles Wright in the first round, then pulled off two wins in the second and third rounds, clobbering Lind and Bainbridge High Schools. The team was stopped by another Charles Wright team to finish up with 7th place.

The junior varsity finished with a 9-6 overall record, losing mostly to AAA teams.

EHS runners claim success

This year's boys' track team had a super year. Placing second in state, the team was led by Dan Shannon who was State Champion in the 400 meter, 2nd in the 200 meter and 3rd in the 100 meter. The state meet was held at Highland Stadium, May 29-30.

Another standout was Jerry Homola with his 2nd place in the pole vault. Coach Bill Ainardi stated, "The reason we placed so high in state this year was due to the athletes good mental discipline. This year was the highest the Hornets have ever placed."

He also noted: "We were a young team facing tough competition but tried hard and never gave up."

The team will not be losing many seniors this year. Coach Ainardi forsees a quality team in coming years due to the exceptional freshmen and sophomores coming up.

The team voted on Captain, Inspirational and Most Valuable. The ones that were chosen were: Jerry Homola, Captain; Danny Shannon Inspirational and Most Valuable.

This year is Mr. Bill Ainardi's last year coaching track at EHS. To sum up the year, he said, "We had an inexperienced team but they never lost their enthusiasm and they worked hard."

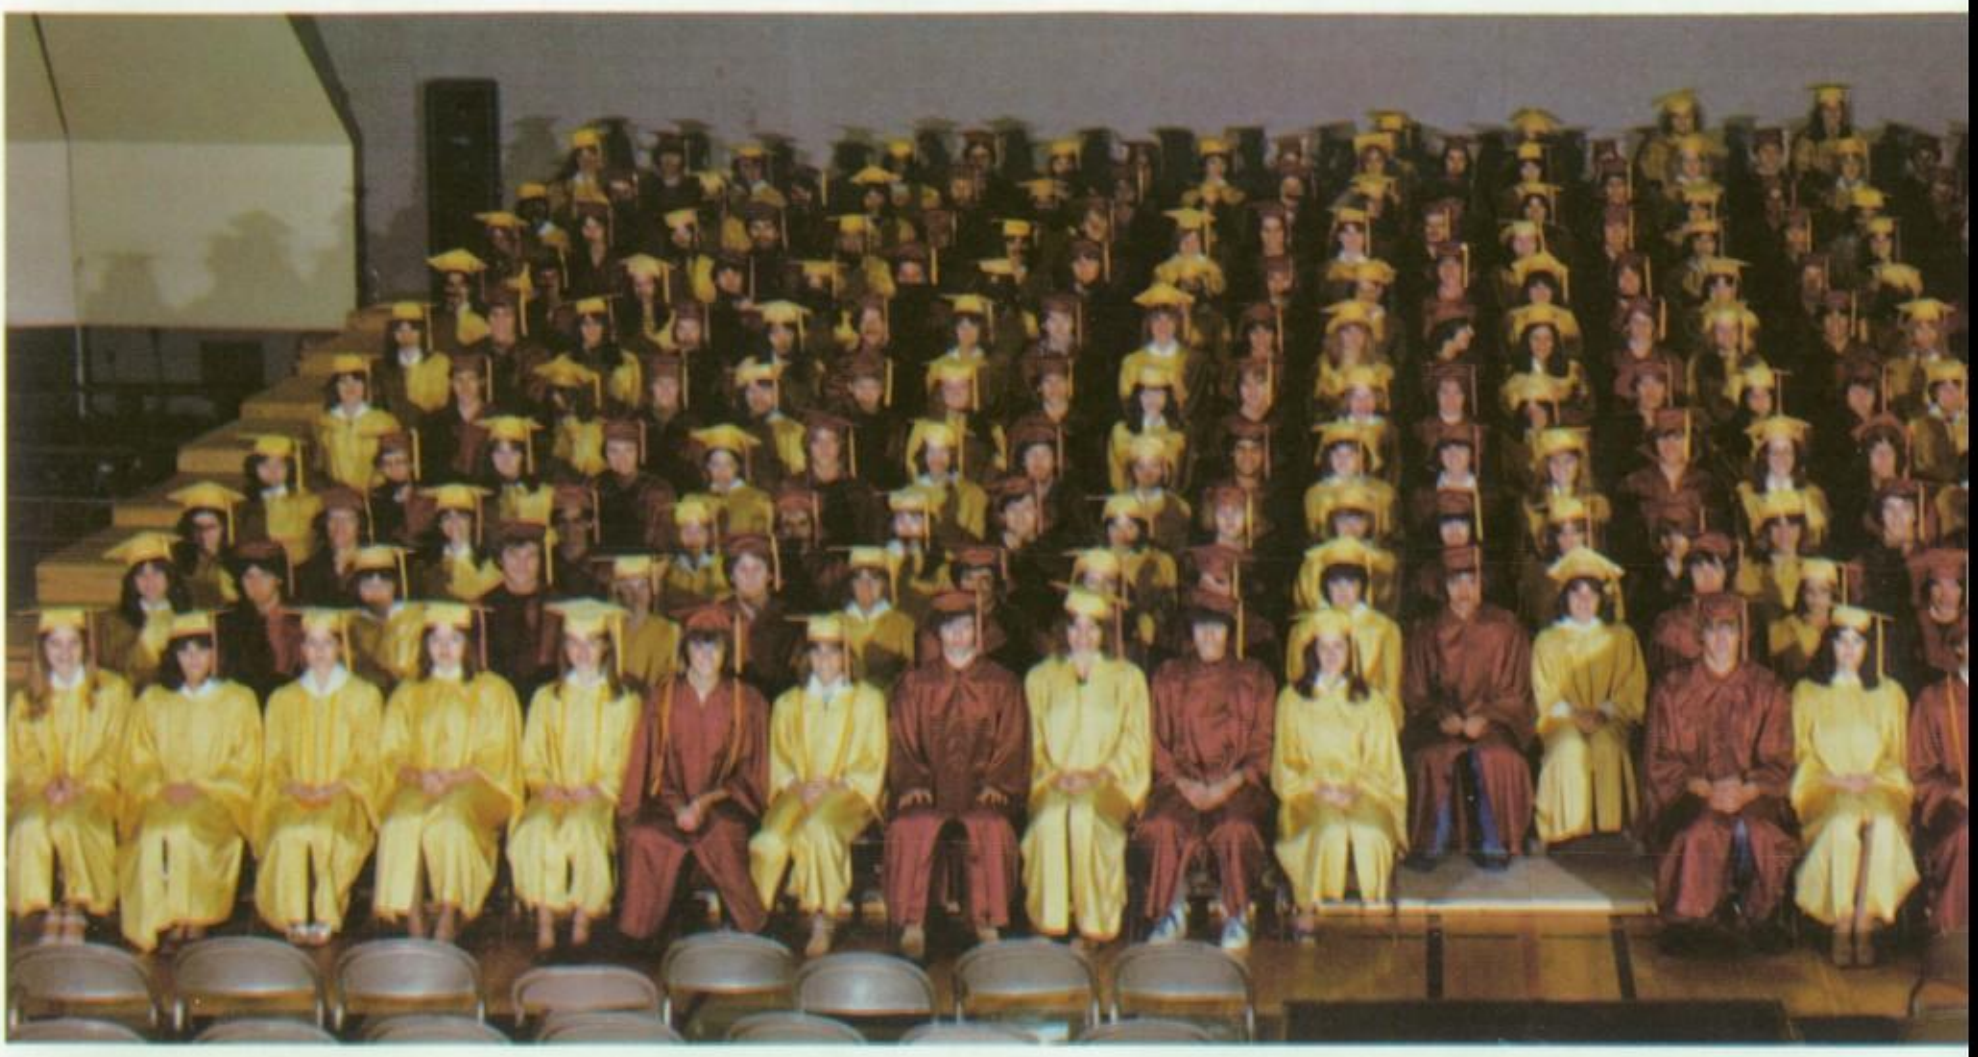
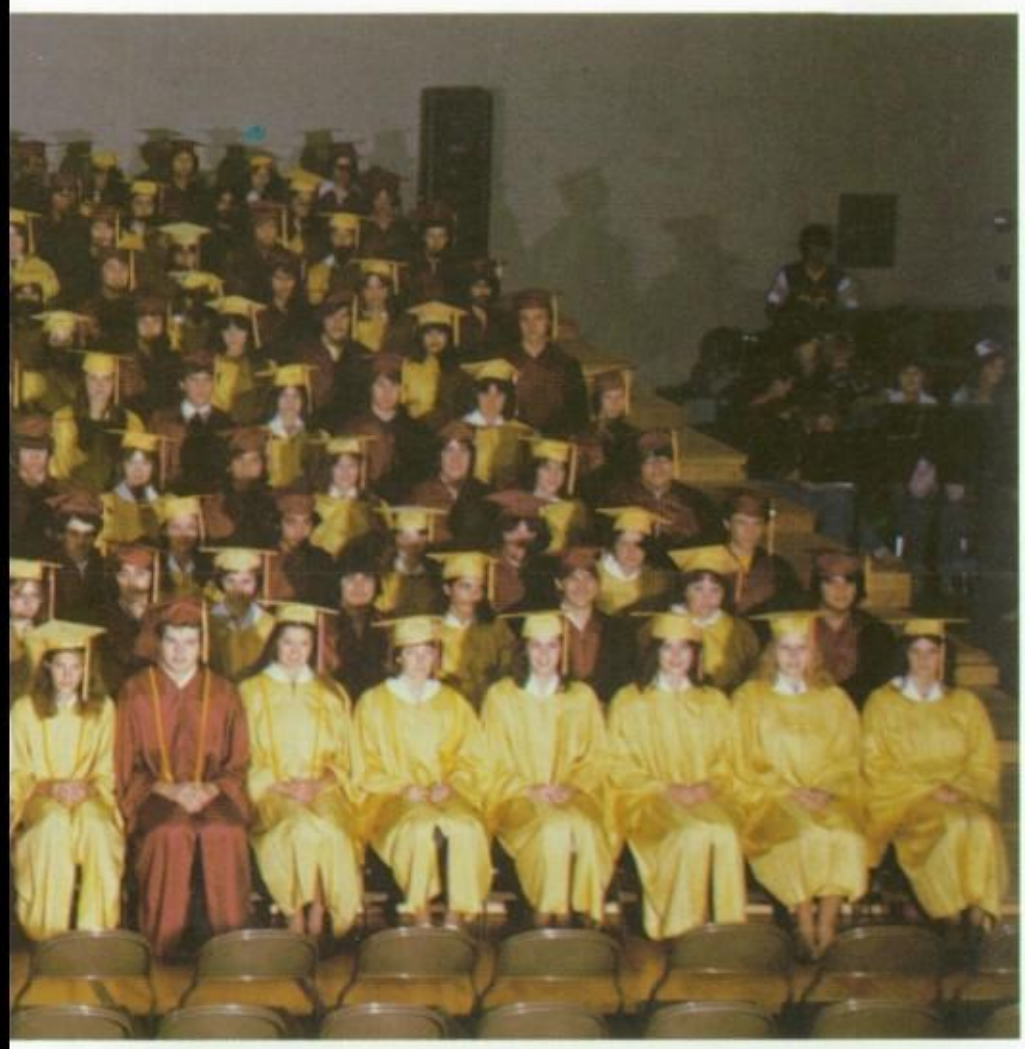
Class of 1981 achieves final goal



graduation



We move on towards one
specific goal,
Never stopping -
Occasionally remembering -
Looking back -
Knowing our time to cast
away will come,
But keeping touch with
the memories we created
on our way up.
We are each individuals
and together we form:
'The Class of 1981'

Many dreams have come true for a lot of us this year. Maybe it was becoming the homecoming king or queen, boy or girl of the month, or for all seniors the ultimate dream of GRADUATION.

Making a dream come true takes a great deal of hard work and time. This hard work is the evidence that you are striving toward that all important goal.

Headlines that were in the news on the national basis were the eruptions of Mt. St. Helens, the election of Ronald Reagan as our 40th president and the tragic death of John Lennon. But the most exciting headline came on January 20 when the Iranians set our American hostages free after over a year of captivity.

Around Enumclaw, the increase of the population to around 5,500 was the main news. Other news included the opening of the youth center, and the opening of many new restaurants-Enumclaw is growing up!

Again our athletic teams had outstanding seasons. EHS showed its dominance of cross-river rival White River, especially by winning the football game 7-6 and retaining the Marc Volk-Jim Mitchell Memorial Trophy for the second year in a row. Our boys' basketball team also defended its championship and found themselves in the playoffs for the third straight year.

The yearbook is not put together by one person alone. It takes the support of both the editors and the staff members. This year's editors were: KELLI WHITE, managing editor; WHITNEY SLEIGH, senior editor; MARY ANDERSON, organizations editor; DARIN ADAMS and STEVE FANTELLO, sports editors; and SCOTT DAVIS, business manager.

The other part of the yearbook staff is the staff members who put in many hours making their pages look the best possible. They were: BARBIE ANDERSON, TRACI DEMARCO, LORI HARGRAVE, CHERYL HATFIELD, WENDY LARSON, MARY MALGARINI, KARI PRICE, MARGIE SKREEN, BETH URK and LINDA VOLK.

Other important parts of the yearbook include the pictures and the typing. The photographers were lead by TRACEY WICKERSHAM (head photographer), BRAD WRESSEL, MONICA PIHEL, CARA VOLIGNY and BRUCE MARTIN. The typists were ARLA JOHNSON, SHARON RYBACKI, LAURIE LANTING, SARA STORENO, CARLA BIRDWELL, MISSY MCKINSTRY and WENDY SEIFERT.

Making all our headlines and doing special work for us was the COURIER-HERALD. Without their help the yearbook wouldn't be the same. Another person who helped us tremendously was RON BILLINGS, our representative from TAYLOR PUBLISHING CO. MULTICHROME STUDIOS who took many pictures for us had a big influence on the yearbook.

The person who had the greatest impact on our annual is our advisor MR. WALT SNOVER. His hard work and dedication is endless. Nobody can appreciate enough a leader with such high qualities.

And so ends the CASCADIAN 1981. I hope you will enjoy our "dream" book as much as all of us have enjoyed the time spent working on it.
